NCC 6TH ANNUAL

GOLF Tournament

National Children's Center (NCC) 6th Annual Golf Tournament
Thursday, July 31, 2025
Renditions Golf Course, Davidsonville, MD

2025 Sponsorship Opportunities

Join NCC and help people in our community Live, Grow, Work and Thrive!

Proceeds from this year's event will create an assistive and enabling technology fund that will support specific needs of adults with intellectual and disabilities throughout the year, improving their quality of life.

ABOUT NCC

For over 65 years, NCC has providing opportunities for people with differing abilities to Live, Grow, Work and Thrive.

THE LOCATION

Renditions features replicas of holes from major championship venues, all located in a quiet and serene setting perfect for a grand slam golf experience. From a series of three parkland holes, all replicas of U.S. Open or PGA Championship venues, to replicas of The Open Championship, and a tour of "Amen Corner", possibly the most famous series of holes from The Masters Tournament, you'll experience it all.

WHY SPONSOR?

Reserve your spot soon — NCC's tournament has sold out for the last two years! Sponsors may choose from several levels of participation to boost your company's visibility, consumer awareness, and brand loyalty with leaders in the DC metro area.

"I can see why it sells out yearly!" said Marc Reilley, Mutual of America, a first-time participant. "The food, the golf, and the people were all fantastic. We appreciate the opportunity to support NCC and have fun while doing it."

As DeLantae Thomas from LawMD observed, "When I looked around, all I saw were smiling faces."

is a non-profit organization that serves hundreds of infants, children, and adults, with and without disabilities, in the Washington, DC, area. Our mission is to enhance the lives of people of all ages, diverse backgrounds and differing abilities through inclusive opportunities. Our programs support young children and families through

our Early Learning and Early Intervention Center and Urban Garden initiative, located in DC's Ward 8; and adults aged 18+ with intellectual and developmental disabilities through residential apartments, group homes, and day habilitation programs that teach life skills and create opportunities for community integration. NCC's goal is to become a catalyst for everyone to live, grow, work, and thrive.
